Compassionate Parking Relief

Purpose

To provide financial relief to patients and visitors who require relief from parking fees due to extraordinary personal reasons beyond the person's control.

A patient or visitor may request and be considered for a Compassionate Relief due to extraordinary circumstances, which make it impossible to pay for parking.

Policy

Patients & Visitors

To qualify for compassionate parking relief the patient or visitor will be required to complete a relief form available at the Parking Office.

In order to be granted parking relief the individual must apply at the Parking Office and complete a Compassionate Parking Relief form.

Parking Relief may be granted immediately for the patient or visitor requiring assistance by the Parking Officer. A record of those individuals granted parking relief will be maintained by the Parking Officer and kept in the Parking Office for ease of reference.

Veterans Canadian Forces

In order to honour the contribution of men and women who have served in the Canadian Forces, on November 11th of each year parking fees are waived to all Parkers with vehicles displaying license plates a red Poppy, the word Veteran or a combination of both on car
