

Artwork Specifications For Specialty Tee Feather Flags

Vector Files - Preferred

Vector files are line art, scalable to any size without losing resolution - the image will stay clean and crisp. Make sure all fonts are converted to outlines.

- EPS
- AI
- PDF

Other Acceptable Files For Printing

PLEASE NOTE - these formats are NOT scalable to larger sizes - the image will deteriorate based on enlargement of file. eg. if logo is 2 inches wide and needs to be enlarged to 24 inches wide, the logo will lose all resolution (see example below).

- PSD (Adobe Photoshop)
- JPG (High Resolution JPEG)
- TIFF (High Resolution TIFF)
- NO Web Images

SMGH Foundation can not be held responsible for quality of final logo unless a vector file is provided.

Original File Low Resolution JPEG
